# Student-for-a-Day

at a small, top-rated Christian college in Ottawa?

**AUGUSTINE COLLEGE** – an alternative, **one-year**, liberal arts college

**T**wice each year Augustine College  
**invites high-school students**

(from public/private schools and home-schools) to attend lectures, talk with students and staff, and get an idea of what the **Augustine College experience** is like.

**Away from home but close to home,**

Augustine College is an excellent place for a Christian student to **prepare for the moral and intellectual challenges of university life.**

Our programme is designed to introduce you to the **formative ideas of Western civilization** – material **of deep relevance to your life** that often **falls by the wayside** at universities today.

Credits earned during the year at Augustine College are **transferable to prestigious colleges and universities in both**

**Canada and the U.S.** with which we have transfer agreements.

At some universities, the 8 months spent at Augustine College are recognized as **a year-and-a-half of course work**, allowing the student to transfer directly into the middle of second-year studies.

We are unique in many ways. The faculty, board, and staff of Augustine College are **all committed Christians.**

There are **many advantages to our small size.**

Try us out. Why not be an **Augustine College Student-for-a-Day?** Come join us on **Tuesday, March 16, 2010.**

Sit in on classes and feel free to spend as much of the day at the College as you wish, including the evening meal.

Lunch will be provided. The **atmosphere is relaxed** and our students and faculty are friendly.
